

Loan and request options for private users

Loan and request options

Under 'Loan and request' on the title display, you can select either the 'Loan' for on-site collection or 'Digitization' for a digital document.

New: If you would like to select free **postal shipping**:

- Select 'Loan'
- Write 'by post' in the comment field

The document you have requested will be sent free of charge to the registered address of your user account.
